

Name _____

Class _____

Directions: Write an essay comparing and contrasting the role of Islam and the role of Hinduism in the social structure and economic development (trade) of the Middle East and India, respectfully, during the Postclassical Period, 500-1450. Use your textbook as your first, best source of information, but do utilize all other resources. Remember to use appropriate historical evidence/facts, details,... to support your ideas...along with appropriate transitional words and phrases.
