ESSAY

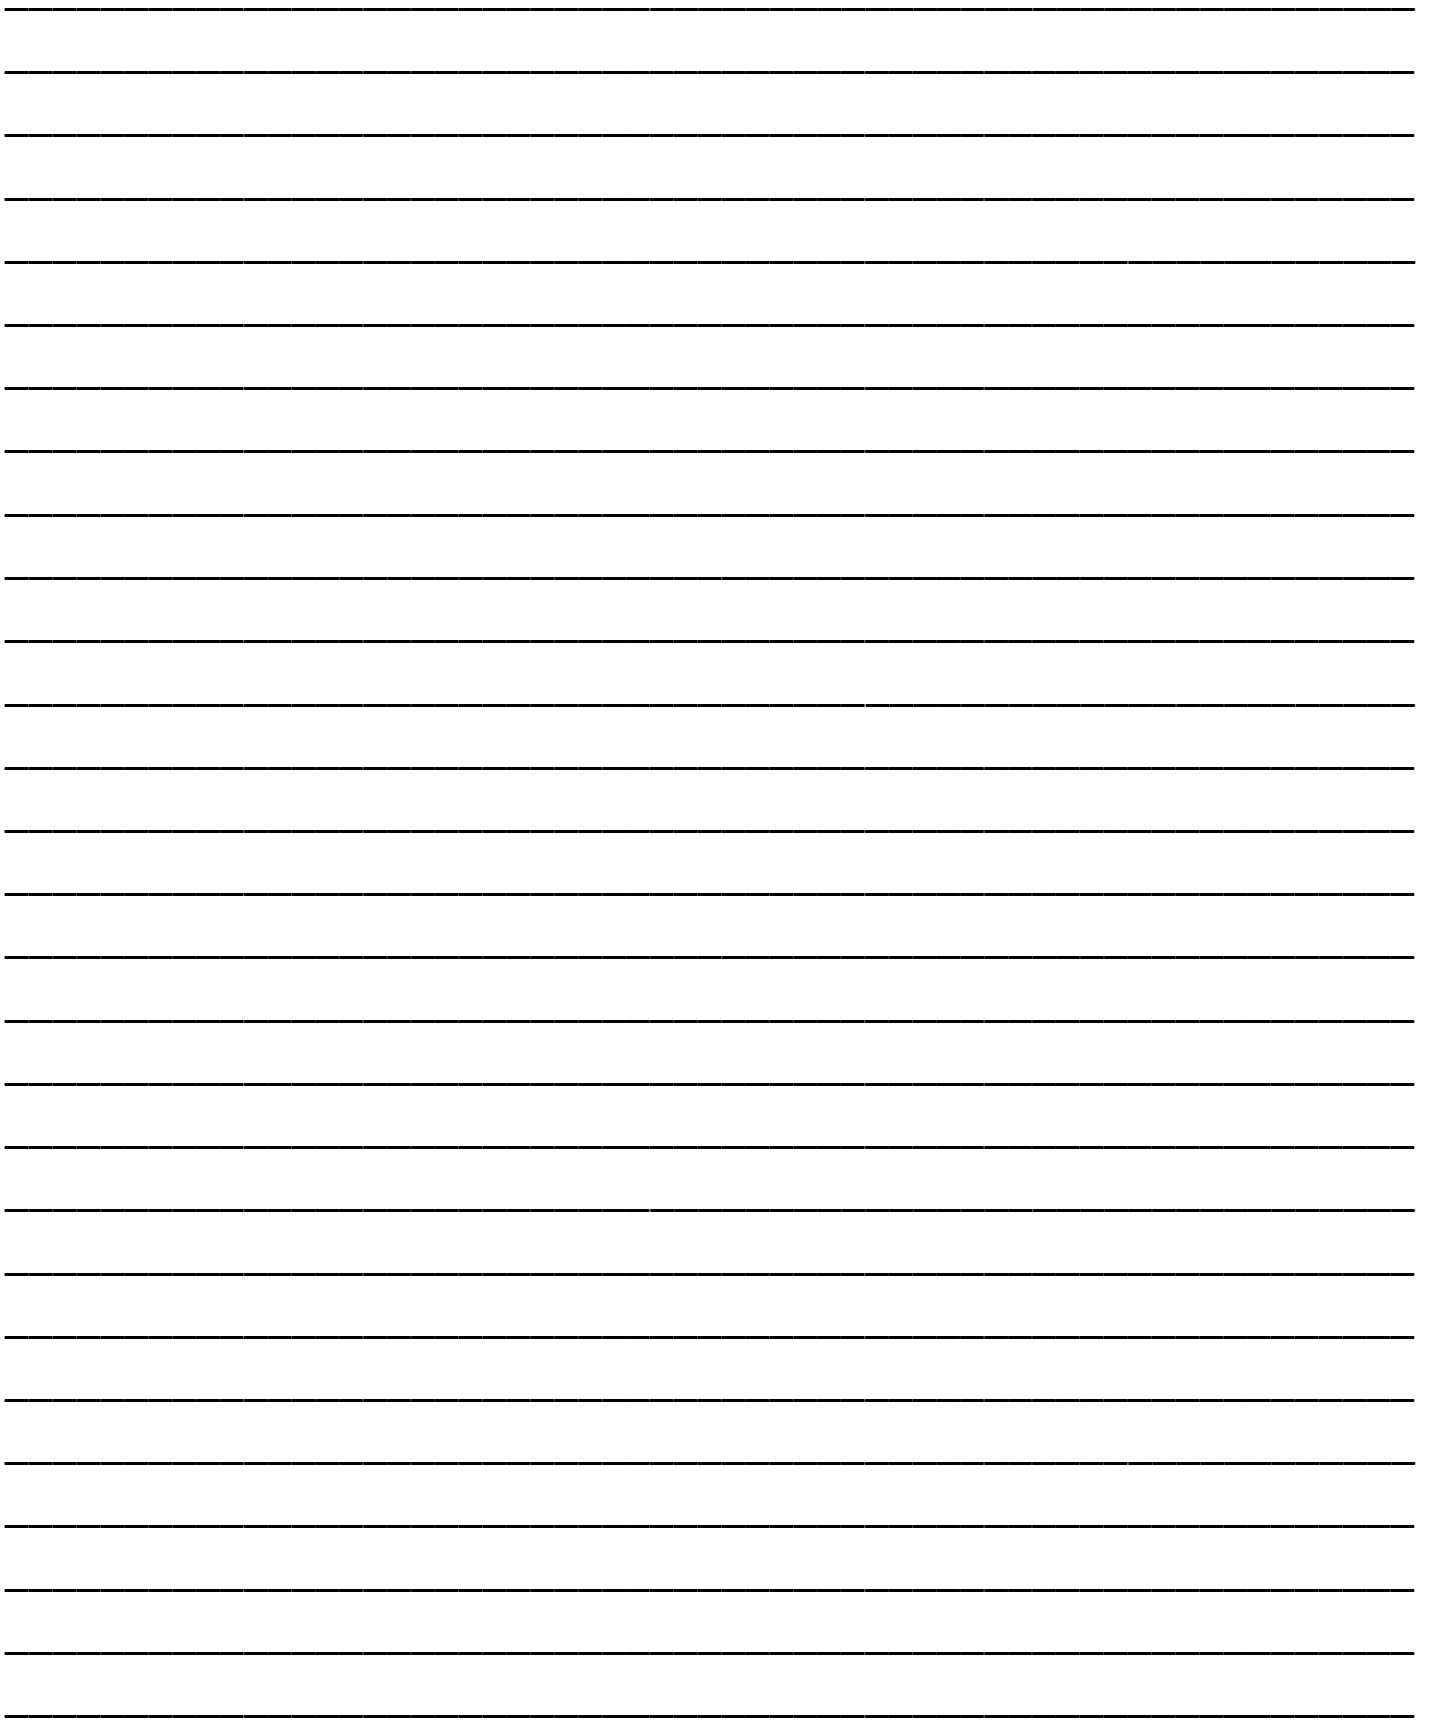

Directions: Write an essay in which you analyze the effects on East Asia of the intensification of European contact in the period 1450 – 1750. Your analysis should clearly address the causes for European interest and action in this period and provide multiple historical examples and historical contextual reasoning. Your composition should clearly support specific effects on East Asia with numerous examples.

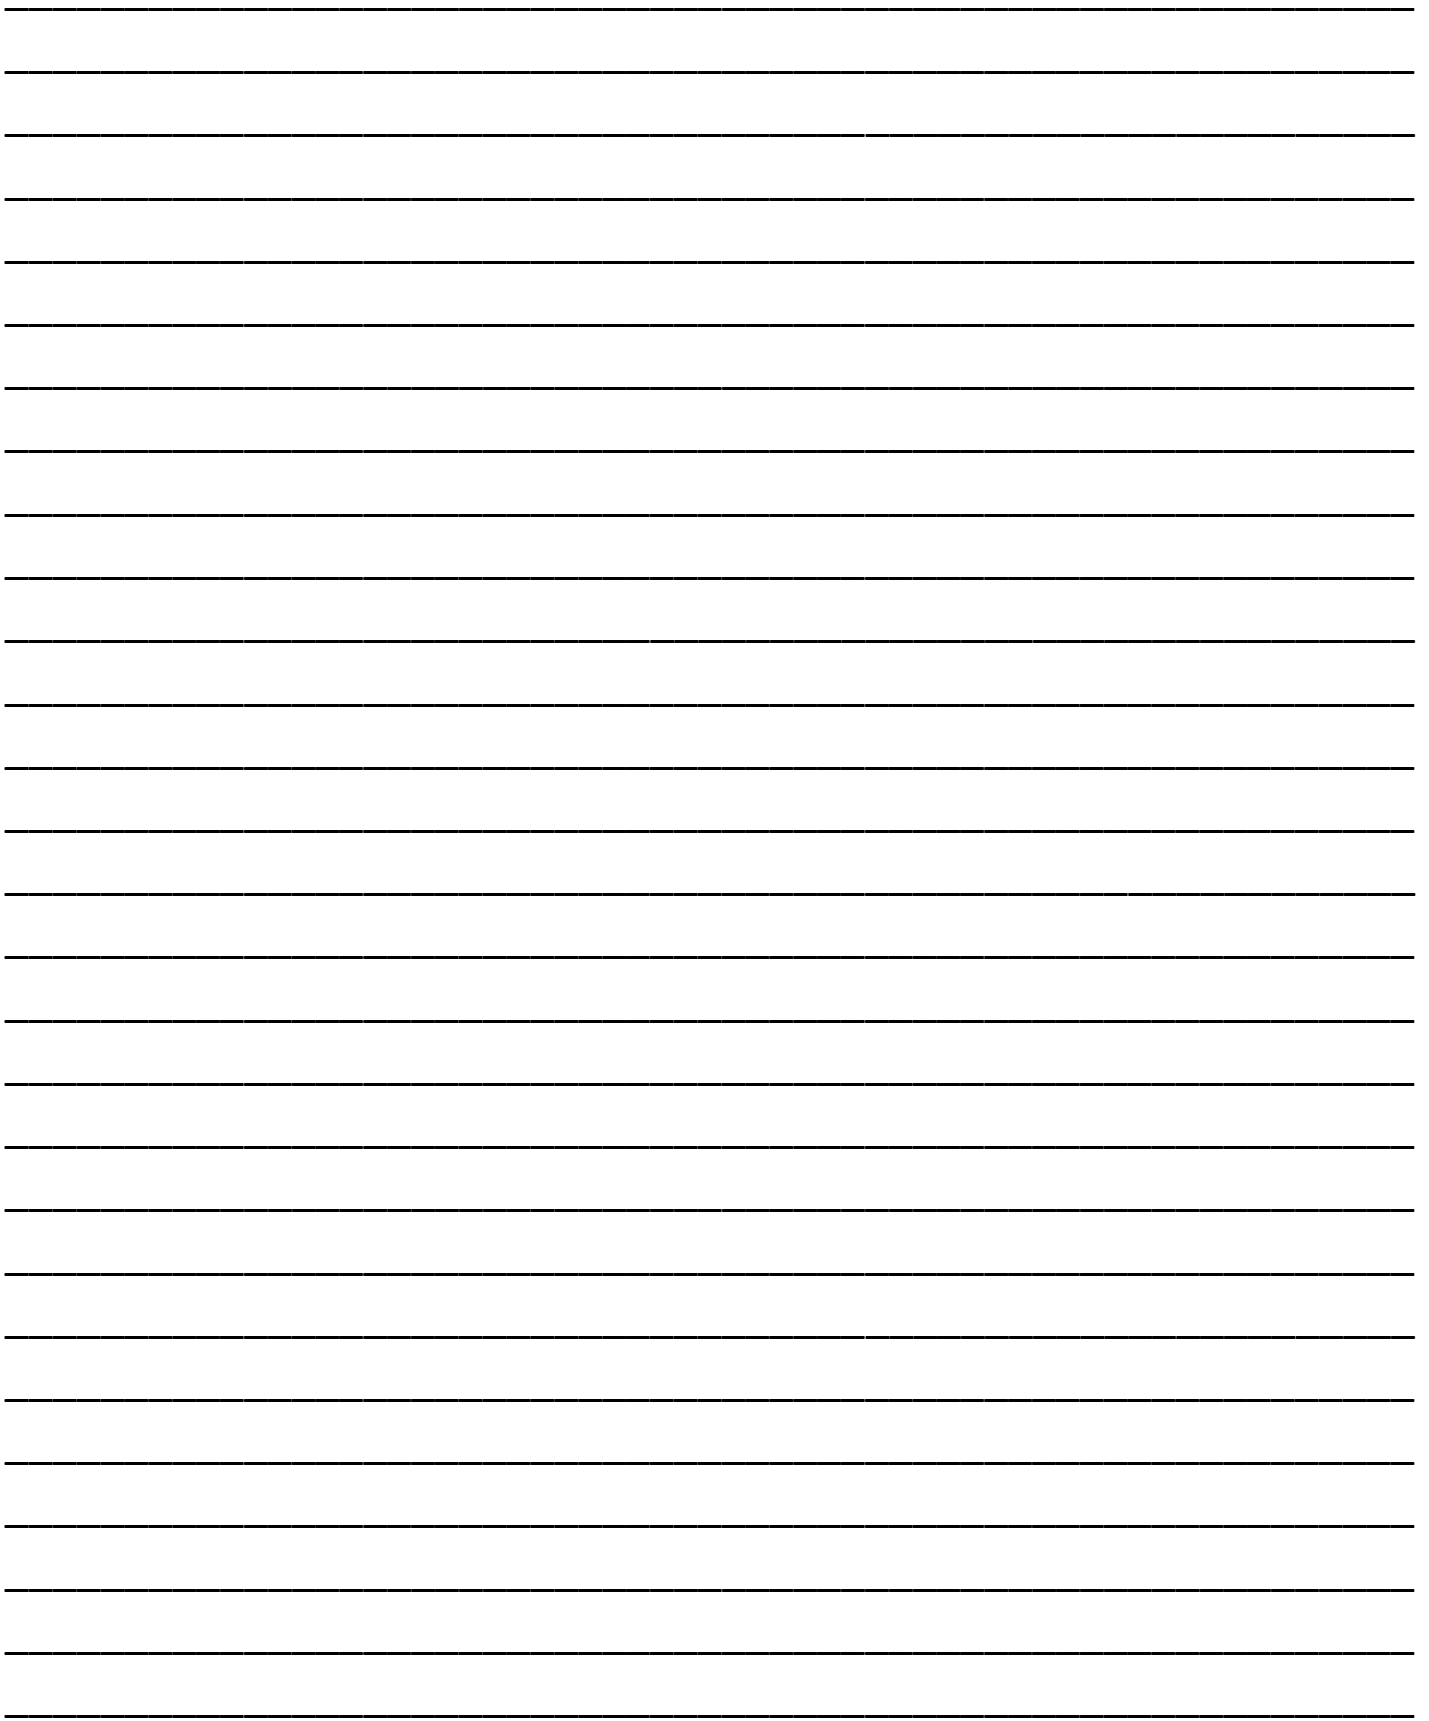

Prewriting

Craft and outline or graphic organizer for your essay.

Word Bank

Create a list of words from the textbook and online sources for your essay.
